Fee Review – August 2026

22/7/2026

Dear Parents / Guardians,

A review has been conducted of the service fees that have been in place since Term 1, 2026. In line with increased costs based around the Consumer Price Index (CPI) and expenses involved in running the service (staff wages, food and other consumables costs), we are implementing the below fee increase to ensure the service remains financially viable and can continue the quality programs offered at the service on a day-to-day basis.

This fee increase has the support of the Sunnybank Hills State School OSHC Committee and the Sunnybank Hills State School P&C Association. On review the Committee noted that our new fees continue to remain one of the cheapest in the community.

To ensure families have sufficient time to accommodate the fee increase, the below changes will not take effect until Monday 10th August, 2026 for Before and After School Care and from 21st September 2026 for Vacation Care.
